

We Save You Time

IMS offers...

- Next day delivery of processed material
- Same day pick up in Will-Call
- Store open six days a week
- Largest variety of metal products in the Southwest
- A purchasing department that will locate your hard to find items saving you time and money
- Knowledgeable staff
- A company with integrity that values your business

We've spent more than sixty years working side by side with our customers, getting to know them and what they need from us to be successful. We know that offering **competitive prices** on prime quality product is a must, so we do. But more importantly, we've learned how critical your **time is, so** we need to make doing business **quick and efficient**.

Our customers also value a supplier that offers a wide array of metal products so materials can be purchased at one place. **Our mission is to meet these needs, and we do, everyday**, for thousands of customers throughout Southern California and Arizona.

Products

Industrial Metal Supply stocks the broadest line of metals sold by one distributor anywhere in the Southwest. Our philosophy is that one call should fill all your metal needs – so if we don't have it, we'll get it for you.

Stocked materials include:

- Aluminum
- Steel
- Stainless Steel
- Copper
- Brass
- Lead
- Ornamental Iron
- Silicon Bronze

In the following:

- Plate
- Sheet
- Bar
- Shim Stock
- Shapes
- Tube
- Pipe
- Ingot

IMS is also widely known for its on-hand stock of specialty items, including imported hand-forged ornamental iron, decorative brass, stainless steel railing systems, patinas, welding supplies and much more. Each of our six facilities has large warehouse and stores stocked with all the metals listed above and more.

Services

Your job is more efficient if your metal can be cut or sheared to size before you get it. That's why we have top of the line equipment, at all six locations, to saw, shear and cut your metal to size.

Other services include...

- Cutting, sawing, shearing of metals
- 6-Axis Laser Cutting
- Hi-Def Plasma Cutting
- Water Jet Cutting
- Material management (storage and delivery on a scheduled basis)
- A flexible credit department with a 'can-do' attitude
- Delivery & Will-Call

About IMS

Industrial Metal Supply was founded as a scrap and surplus business back in 1948 in Burbank, CA. Norman and Sally Sherman delivered metal out of the back end of their 1947 Pontiac station wagon that served as their pick-up truck by day and the family vehicle in the evening. Today IMS purchases mill direct, is still family-owned, has grown to six locations with over 350 employees, 40 trucks and more than 400,000 square feet of warehouse space in California and Arizona.

We pride ourselves on meeting our customer's needs. Whether it's information, special material handling, or volume quantities, our employees go out of their way to service our customer's requests.
