

Your Career Starts Here!

Drivers, are you tired of driving overnights? Are you wanting to spend evenings and weekends with your family?

Industrial Metal Supply Co. (IMS) is currently searching for a **Class A Driver** to join our growing team! The ideal candidate is self-motivated, takes personal pride in their work, and is safety conscious. Potential Team Members must be focused at delivering consistent, high quality services at all times.

As the **Class A Driver**, you are responsible for the transportation of goods from manufacturing locations to retail or distribution centers, verifying test reports are attached to customer copies, assisting in unloading materials, ensuring delivery receipts are completed and signed, as well as driving safely and obeying all traffic laws.

Duties and Responsibilities:

- Ability to strap down and maintain quality control and to organize workload for maximum effectiveness on a flatbed
- Ability to represent the company in a customer-friendly and positive manner
- Ability to communicate clearly and concisely
- Strong detail orientation and understanding of safe work processes and procedures
- Ability to be an effective team member

Work Environment:

In general, the following conditions of the work environment are representative of those that an employee encounters while performing the essential functions of this job.

- Noise level varies and at times can be loud in the warehouse
- Ability to operate electric lift, hand trucks, pallet jacks, etc.
- Requires alertness, focus, and attention to detail
- Self-starter who works well independently

Basic Qualifications:

- Must be 18 years and older
- At least 6 months experience as a truck driver
- Valid Class A Driver License
- Hands on experience with electronic equipment and software (GPS, AVL units, CB etc)
- Strong knowledge of applicable truck driving rules and regulations
- No recent moving or driving violations
- Adaptability and foresight to handle unexpected situations (traffic, weather conditions etc)

Physical Demands:

In general, the following physical demands are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to allow differently-abled individuals to perform the essential functions of the job.

Must be able to see, hear, speak in order to communicate and take direction from supervisor and/or other customers; manual dexterity required for reaching and lifting of small objects, and operating material handling equipment. Able to lift at least 50lbs. without help.

Benefits:

Industrial Metal Supply (IMS) provides safe, stable, reliable work environments, competitive pay, excellent Health and Dental benefits, 401K, Vacation and Sick Days.

Successful candidates will be required to pass a post offer, pre-employment drug screen and background check.
